

**SAFE WATER
INTERNATIONAL
MINISTRIES**

April 2023

God, please give us courage, boldness, and fearlessness to be vulnerable, to reach out to others in love, and to tell of Your incredible gift of salvation. Show us how we can share Your amazing love with others. Make us generous with our resources, our time, and our talents. Show us how we can be a part of "Your will be done on earth as it is in heaven." Teach us how to live to help others. In Jesus' Name...Amen.

Aarush* and Krish* are two special young men participating Safe Water International Ministries (SWIM) youth programs in India. They found out about SWIM through Rich Grant, Pastor Wilson, and Moorthy. It's a huge blessing having the youth like them be a part of the SWIM teams. They are sharing the message with other youth and adults while making an incredible impact for the Kingdom of God!

**Names have been changed*

God, please give us courage, boldness, and fearlessness to be vulnerable, to reach out to others in love, and to tell of Your incredible gift of salvation. Show us how we can share Your amazing love with others.

SWIM is important to Aarush because "it's one of the ways to express God's Gospel to others."

SWIM is important to Krish because "it's a relevant, appropriate method of approaching people." His favorite parts about SWIM are building relationships and sharing the Gospel.

Make us generous with our resources, our time, and our talents. Show us how we can be a part of "Your will be done on earth as it is in heaven."

Spreading the importance of SWIM is Aarush's favorite part. He wants to let people in his country know about God's Gospel and SWIM.

Krish wants all people in his country to have access to safe water.

Teach us how to live to help others. In Jesus' Name...Amen.

Aarush chose to become involved with SWIM because using the chlorine drops helps to keep people healthy and safe from other diseases.

Krish chose to become involved with SWIM because it's a good way to show the love of Jesus through providing safe water and good health – health is wealth.

THANK YOU!

Your support of SWIM helps us to empower the youth who desire to share the Good News and create safe water for their communities. It allows us to reach people who desperately need to hear about Jesus, the Living Water, and be provided with a chlorine producing unit (CPU) for their village.
